How it works

Create an exam

Write out the questions, let it be a quiz, an essay or a multiple correct questions.

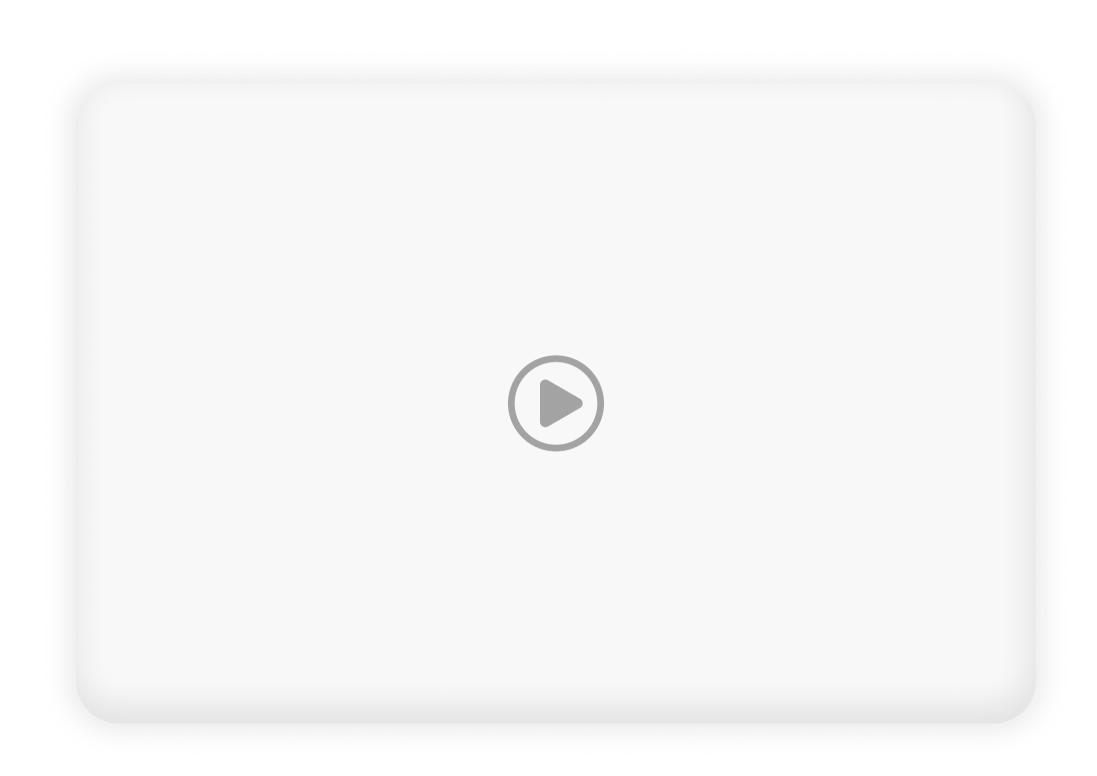

Select your aspirants

Selected aspirants will get a special password that they can use to login for the test

Discuss doubts after exam

Communicate with your followers about the difficulties and the detailed solutions.

Why?

I wish I knew.

There are some reasons to be honest, but it's all in the air for now.

Nothing concrete, so hang in there.
